

## Swinderby Parish's Neighbourhood Plan

*This draft Neighbourhood Plan has been put together by local residents and is the result of several years' work following extensive consultation with the local community.*

*It proposes planning policies which will reflect the values and ambitions of local residents for the area in which they live, work or visit.*

***This is your neighbourhood, your community and your plan.***

*Please make the time to visit the village hall on the **13<sup>th</sup> of June from 2:30 to 6:30 pm** to look at the draft policies, comment on them and let us know what you think.*

*Once the final plan is written these policies become part of planning law and will shape the future of the area. This is your chance again to have your say and be part of that future.*

*The feedback we receive on the 13<sup>th</sup> of June will be used to finalise the plan before it is subjected to a period of formal consultation and a local referendum.*
