

Residents of Swinderby - We Need Your Help!

Over the past 2 years, a group of residents have been preparing a review of the Draft Swinderby Neighbourhood Plan. The main aim of the Neighbourhood Plan is to enable the local community to have a greater say in how the neighbourhood changes in the future. Once complete, the Neighbourhood Plan will become a legal document. Future planning proposals will be determined using local policies set within the Plan.

The focus is now on ensuring the **policies are correct and appropriate** and identifying any **specific actions** required in the future,

We need your help by answering the following questions, that will enable us to finalise the Neighbourhood Plan.

Policy 1: Residential Development

The policy seeks to make sure that any new housing in the area is in the right location and within the proposed development footprint of the village. Any new housing should enhance the area and meet the needs of the community.

Is this something that is important to you?

Yes/No/Undecided. Please tick one.

Policy 2: Housing Type and Mix

This Policy seeks to make sure that any new housing in the area is of the right type and size to meet the needs of the community.

Is this something that is important to you?

Yes/No/Undecided. Please tick one.

Policy 3: Extensions and Alterations to Existing Buildings

This Policy looks to manage the scale of future extensions and alterations of existing buildings.

Is this something that is important to you?

Yes/No/Undecided. Please tick one.

Policy 4: Density of New Developmen

This Policy seeks to limit the density of new development to preserve the character of the village.

Is this something that is important to you?

Yes/No/Undecided. Please tick one.

Policy 5: Development in the Countryside

This Policy seeks to manage the type of new development in the Countryside to help retain the rural character of the area.

Is this something that is important to you?

Yes/No/Undecided. Please tick one.

Policy 6. Design of new Development

This policy suggests that all future buildings should be in keeping with those already in the area, that they should blend in well and be built of similar materials to existing buildings.

Is this something that is important to you?

Yes/No/Undecided. Please tick one.

Policy 7: Settlement Breaks

This policy seeks to protect the undeveloped green space in parts of the village to reduce the risk of these areas being developed in the future.

Is this something that is important to you?

Yes/No/Undecided. Please tick one.

Policy 16. Heritage Assets.

This policy states that any new proposals must contribute to protecting and enhancing the areas historic buildings and spaces.

Is this something that's important to you?

Yes/No/Undecided. Please tick one.

Are there any other planning issues you would wish the NP team to consider?

Are there any specific actions you would wish to include in the NP? For example, further development of the Playing Field on Station Road.

All comments are welcome and you can either email your comments to geoffloyd.spc@gmail.com or post them to 5 Manor Road.

Please return by the 15th July
