Good morning from a sunny Swinderby!

It is always delightful to see the sun come out on our beautiful school grounds and to watch the children playing outside.

This month a team of Year 3 and 4 pupils ventured off to Newark Rugby Club to take part in their first ever Tag Rugby tournament.

The children were nervous but excited and after the first whistle they settled into their stride demonstrating determination and skill and many tries were scored by both girls and boys. All the staff who accompanied them were so proud.

The term is racing by, with the children working hard with their assessments and we look forward to sharing the outcomes of these at our parent's evenings next week. We are also delighted that we have recently had so many new children join us and we hope that they have a long and successful time with us. We are also looking forward to our Easter service on Thursday 2nd April.

The school's Governing Body is still looking for new Governors. The Governing Body is made up of people of all ages and skills, and they are essential for the successful running of the school.

If you feel that you could offer our lovely school some time and skills please do contact our Clerk to the Governors, Imogen Lemon on imogen.lemon@swinderby.lincs.sch.uk She would be delighted to have an informal conversation with you to see if the role is something you would be interested in. We'd be delighted to hear from you.

My very best wishes for a lovely Easter break.

NEWS FROM ALL SAINTS CHURCH, SWINDERBY

Hello

As I sit and write these notes I can't stop singing, "we are top of the league, we are top of the league". Many will know of my involvement with Lincoln City, and how just a little under 10 years ago we were struggling in non-league

football. After the win against Exeter City the team are 4 points clear at the top of League 1, and a great chance to get promoted to the Championship, the first time in over 60 years.

In a sense the desire and hope many fans had in those dark days of non-league football is on the verge of coming to fruition.

Easter is a time where we see signs of hope, hope that realises that hate and destruction can be overcome with following the challenging path of love. That is at the heart of the story of Easter. That put simply, violence, hatred, discrimination cannot silence love. That is the experience of those early disciples. They had witnessed their friend publicly executed, and yet they recognised in love that if we struggle to follow that path, we find renewed hope.

That hope enables us to reconnect, with ourselves, with the whole of humanity and the environment around us. Disconnection from these leads to a sense of domination and destruction. So this Eastertide let us choose love and connection, over hatred and division.

As ever, Andrew revandrewvaughan@gmail.com

April in the Garden: Your UK Gardening Guide

Flower Gardening

Sow & Plant: Direct sow hardy annuals like marigolds, poppy, cornflowers, and nigella. Plant out summer-flowering bulbs.

Pruning: Prune penstemon and deadhead spring bulbs like daffodils and tulips but leave the foliage to die back naturally.

Support: Stake tall perennials like peonies now before they become too large.

Vegetable & Herb Gardening

Sow Directly: Sow carrots, beetroots, radishes, spinach, Swiss chard, turnip, lettuce, and spring onions.

Sow Under Cover: Start off French beans, runner beans, sweetcorn, and pumpkins in pots.

Plant Out: Plant maincrop and second early potatoes, plus onion sets.

Garden Maintenance & Tasks

Lawns: Give the lawn its first proper mow of the season on a dry day, keeping blades high. Rake out moss and apply a spring lawn feed.

Weeding: Hoe regularly on dry days to kill newly sprouted weeds.

Mulching: Apply a 5-8cm layer of compost or bark to beds to retain moisture and suppress weeds.

Greenhouse: Clean glass to maximise light.

Hardening Off: Move indoor-sown seedlings to a cold frame or sheltered spot during the day to acclimatize to colder nights.

April Spotlight: Late Frosts

April can be fickle with cold nights and frost. Protect delicate new shoots and vulnerable spring plants (like blossom on peach trees) with horticultural fleece.

DEPOSIT YOUR USED POSTAGE STAMPS

There is a box in the telephone box on the High Street for used postage stamps which are passed on to a collector on behalf of Bransby Horses Charity. Last year they raised £11,777 from donated used stamps. It's nice to help, and this really does seem worthwhile.

NOTES FROM THE PARISH COUNCIL APRIL 2026

Public Forum. The March meeting took place on the 9th from 7:30pm to 9:30pm. It began with a public forum for parish members to raise concerns and ask questions, and for district and county councillors to give updates. The forum lasts about 15 minutes but can be extended when needed. Members of the public can then leave and do not need to attend the whole meeting.

Annual Parish Meeting. The annual parish meeting, typically convened prior to our regular May session, provides an additional forum for stakeholders to raise concerns and enables the Parish Council to report on the key outcomes of the preceding year.

Reorganisation of the district and county councils. At the public forum, Cllr Peter Overton (NKDC) announced that the district council had agreed a 2.9% increase in council tax and noted that funds have been set aside for forming a unitary authority, as required by the Government. In terms of unitary authorities, NKDC has proposed merging with South Kesteven and South Holland, while Lincoln City suggests uniting with NKDC and West Lindsey. In total, six models from Lincolnshire councils are under Government consideration to decide on the most efficient structure.

Litter. As a community we have over an extended period picked litter to try and keep the parish as litter free as possible. Litter is an issue throughout the parish, especially near roads by the A46. It is the responsibility of Highways to keep the A46 litter free and NKDC other roads. However, we work closely with NKDC to deal with the problem, and they provide a grant to help us buy the necessary equipment.

This spring we have tried a different way to create greater flexibility in our litter picking efforts and we will try and encourage NKDC to litter pick the roads we are unable to cover. Thank you to all the volunteers yet again supporting the Parish Council.

Neighbourhood Plan. This is becoming an increasingly important document regarding the actions that the community wish the Parish Council to take if possible. It provides us with a plan on our next steps forward.

Communication. Alongside these notes, the public forum, the annual meeting, and the minutes and agendas posted on the village hall notice board, we also maintain a website where all essential documents are available.

Finally. A Teams meeting was set up between Amber Sowerby, the Parish Council, and NKDC to finalise the affordable housing and land transfer related to the development. Subsequently the solicitor acting for the Parish Council has contacted the solicitor acting for Peter Sowerby Homes. Ongoing correspondence with Kisimul School's national leaders about traffic has led to a Teams meeting being arranged in April. LCC is aware of these traffic issues, and Cllr. Woodruff continues to offer valuable support.

Best wishes Geoff Lloyd,
Chair Swinderby Parish Council

CHURCH NEWS APRIL 2026

Coffee Stop on Monday mornings 10.30-12.00. All welcome. Come along and meet with others.

Village Lunch The next lunch will be Wed April 8th. Going forward we have planned lunches for the second Wednesday every month. Please let Maureen Fillingham know if you will be attending on 01522 861711 or 07594354613

Churchyard there is a great deal of work being done to keep the churchyard looking so good. Please think about offering your help even if only for a one-off session. We have had the hedge between the church and the school lowered. This will make it much easier to maintain. We are now paying for the grass to be cut but there are still the flower borders and the meadow to maintain and enhance.

Church Development We have now applied for a Faculty to the Church of England to allow us to finish our redevelopment project. This will be to lower the raised pew platform on the north side of the church to allow level access from the aisle. The building of a toilet in the current kitchen area and the building of a "kitchenette" on the North wall. The current carved screen between the current kitchen and the north aisle will be moved to screen off the vestry area instead of a curtain. Once permission has been granted, we will be applying to granting bodies for funding to carry out the project.

Jumble Sale This was an amazing event involving many people in donating jumble, organising and helping to run the event. On the day we made over £430 and subsequently have sold items and finally we are going to a car boot sale with the better unsold items. Thank you to all involved.

Fundraising events – please support if you are able

- Quiz Night 11th September
- Christmas Fayre 21st November

Gill Lloyd, PCC Secretary 07483 878031 gclloyd53@gmail.com

Whisby Quarry

How Tarmac Supports Lincolnshire - One Load at a Time

Whisby Quarry is a sand and gravel quarry located approximately 2km to the east of Eagle and is operated by Tarmac.

Aerial shot of Whisby Quarry

Who are Tarmac?

Tarmac is one of the UK's leading sustainable building materials companies, under the parent company CRH. With over 150 years of experience, we operate more than 350 sites across the UK - including quarries, cement plants, and concrete works. Whisby Quarry plays a key role in supplying the sand and gravel used to build local homes, roads, and public spaces across Lincolnshire.

COMMUNITY PROJECTS:

HOW WHISBY QUARRY SUPPORTS LOCAL INITIATIVES

Quarries are, by their nature, long-term neighbours. That is why supporting local projects is an important part of how we operate at Whisby Quarry, alongside our day-to-day work to manage environmental impacts and restore land that we have finished extracting.

Restored Wetland at Whisby Quarry

RESTORATION AT WHISBY QUARRY: CREATING LANDSCAPES FOR THE FUTURE

At Whisby, restoration is a key part of how we operate. Quarrying is a temporary use of land, and we aim to ensure that, once extraction is complete, the site is returned to a condition that provides long-term benefits for both the environment and the communities

around the quarry.

We have a strong track record of delivering large-scale restoration schemes that create lasting value. One example is Langford Lowfields in neighbouring Nottinghamshire, where former quarry land has been transformed into a thriving wildlife haven. Now managed by the RSPB, the site recently won the Land Management and Sustainable Development Award at the RICS Awards 2025, recognising its contribution to nature recovery and sustainable land use.

Restoration at Whisby today

At Whisby, restoration is already well underway. One of the most visible examples is Whisby Nature Park, which has been created on the land where a quarry used to be. Today, it is a well-used local asset for the community, providing a nature reserve, a natural world centre, and spaces for education and recreation.

Across the site, our current restoration work focuses on creating a varied landscape that includes lakes, lagoons and ponds, alongside grassland, woodland and areas of agricultural land. This approach helps to boost biodiversity, support wildlife habitats and contribute to a more resilient natural environment.

A progressive approach

Restoration at Whisby takes place on a progressive basis. This means that as one area of the quarry is completed, it is restored before work moves on to the next phase.

This approach allows us to:

- Reduce the overall footprint of active operations at any one time
- Establish habitats earlier, rather than waiting until the end of the quarry's life
- Manage land, water and soils in a coordinated way

We are also responsible for the aftercare of restored land for at least five years, ensuring that new habitats and landscapes are given the best possible start.

Looking ahead

Our proposed restoration scheme for the proposed Eagle Hall extension has been designed to build on the existing work at Whisby and complement the surrounding landscape.

The proposals include:

- Creating a series of waterbodies to support nature conservation, including a range of habitats for wildlife
- Restoring suitable areas to agriculture using the best and most versatile soils
- Protecting Mill Dam Dyke and integrating it into a network of new wetland habitats
- Introducing new permissive footpaths to improve access in the area
- Continuing the progressive restoration approach

These proposals reflect the same principles that underpin our work at Whisby today: creating a balanced landscape that supports nature, provides opportunities for people to access and enjoy the countryside, and retains areas for agricultural use.

A long-term legacy

Restoration is more than just returning land to its previous state. It allows us to create something new and long-lasting, supporting wildlife and providing spaces for people to enjoy. Our approach is already visible on the ground and will continue to shape how the site evolves in the years ahead.

If you would like to find out more about restoration at Whisby Quarry, or have any questions, please contact our community liaison manager, Che, at che@eqcommunications.co.uk

POET'S CORNER

If you have a favourite poem, or have composed one yourself, why not share it by emailing pathaig@me.com

NEW BEGINNINGS BY MAXINE BAILEY

A brand-new day, a moments cheer
Our long-awaited Spring is here
With the gentle warmth of the sun's embrace
To put a smile upon your face.

The gardens start to come alive
As winter's chill, they did survive
The tiniest buds begin to grow
Preparing for a dazzling show

The days grow longer, brighter too
To lighten the way for me and you
Spring really helps the way we feel
To nurture our senses, like a hearty meal

Like new beginnings, that's what they say
A zest for life, with skies less grey
A chance to shed our winter woes
To see what the road ahead bestows

For Spring has sprung, and life feels brighter
Rejuvenation, our heart feels lighter
Awash with colour, our wondrous world
The flowers now grow, their beauty unfurled.

FREE AND FRIENDLY QUOTES

SPOTLIGHT ON SWINDERBY SUMMER SUNDAY 31 MAY SWINDERBY JUBILEE PLAY PARK

Once again, the SSS Committee have been busy organising our annual free village event, to be held on the Jubilee Play Park opposite The Plough, and open to all and this is definitely a date for your diary not to miss !

As well as the wide range of children's playground activities already on the park, children can enjoy the free bouncy castle, and our local ice cream van will be on site. Bring a picnic – all drinks in plastic containers please and enjoy the afternoon with fellow villagers and their families and friends. Please note that dogs other than service dogs are not permitted.

We will have fabulous music from two bands providing musical entertainment, Nostalgia and Just Us Two and also welcoming back the choir from Swinderby School.

The event will be officially opened by Chair of North Kesteven Council Cllr Chris Goldson and Consort Mrs Christine Goldson at 2:00 pm.

There will be lots of stalls selling their wares, and local organisations providing information.

Alistair Lees, locally based, professional falconer, who is prolific at many of the UK's county shows and corporate events, will be bringing a selection of his birds of prey to our village event comprising **Owls, Hawks, Falcons and Eagles** and giving an arena flying display at 2:15 pm.

Plenty of opportunities for selfies with the birds and all completely free of charge, funded by village events and our sponsors, Tarmac and the Lost Village Festival. Check out Alistair's website www.hawkeyefalconry.co.uk for more information.

At 3:00pm Hannah Thompson, Puppy Development Officer for **Guide Dogs for the Blind**, will be giving a short talk about puppy training in the arena with some puppies and their volunteers, and will be on hand at their stall for you to talk to before and after their display.

IF YOU WOULD LIKE A FREE STALL AT THE EVENT, PLEASE CONTACT
pathaig@me.com
