## OUR PRIORITIES THIS QUARTER

Every three months, we listen to your concerns and look at recent crime statistics to shape the things we will concentrate on for the next three months. Based on this, our priorities for the next quarter are:

**1. Tackling antisocial behaviour at public open spaces Town & Rural.**

If you think there is an issue we should be focusing on, please get in touch at one of our public engagement events or contact us by email or social media.

## WHAT'S BEEN HAPPENING?

Eagle Playing Field and the surrounding area remains a hotspot. We would ask Eagle residents to report any related antisocial behaviour quoting ECINS 256417. The policing team is continuing to regularly patrol the village.

## AUTUMN CRIME PREVENTION

- Use timer switches on a lamp, radio or tv set so that they turn on as it gets dark in the afternoons.
- Make a habit of checking that ground floor windows and doors are closed and locked when you leave the house or go to bed. Upstairs windows should be locked when the house is unoccupied.
- PVCu doors must be locked by lifting the handle **and turning the key** to ensure all the security features are in place.
- Car and house keys should be kept out of sight in a safe place. Don't leave them on display on window sills, in porches, hallways or kitchens.
- Secure your rear garden by shutting and locking any gates. Burglars can use garden tools, like ladders to break in, so make sure you securely lock away any tools after use.
